REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Hickory Tavern Middle School is a rural school rich in tradition that serves grades six through eight. The school is a strong element in the community and receives very good support. We promote an educational program that serves all students as individuals.

Hickory Tavern Middle School continues to work to improve our educational progress. The State Department of Education awarded Hickory Tavern Middle a Silver Award for improvements for 2010. We continue to improve our technology resources for teachers and students. We are a data driven school and use Measures of Academic Progress (MAP) three times each year to monitor progress and adjust instruction.

This year we met requirements established by the AdvancED Accreditation Commission and Board to be accredited by the Southern Association of Colleges and Schools Council on Accreditation and School Improvement. This process helped guide the alignment of our Strategic Plan and steers us as we strive for continuous improvement.

Hickory Tavern Middle School continues to boast a student body that is dedicated to helping the community and those less fortunate. We raised over \$4000 for Relay for Life and also provided Christmas gifts for ten families and Thanksgiving dinner for six families. Our students also collected canned food items for local food banks. We continue to provide service learning and other work related experiences through the Career Education class.

Hickory Tavern Middle School and the School Improvement Council/Schoolwide Planning Team work to establish and maintain partnerships between the school and community. Opportunities to involve the community include grade level open house nights, parent volunteer training, awards day programs, a yearly career fair, Veteran's Day program, and National Junior Honor Society program. The related arts program provides opportunities for students to enrich and expand their abilities in fine arts.

Hickory Tavern Middle School is committed to providing a quality education and nurturing environment for all students. We are committed to addressing our students' individual needs and to supporting their growth and development. Through our efforts we strive to provide a system of excellence and equity in educational practices for each learner.
